

Goldsmith Chambers – Direct Access Fees: Winding-up petitions

Timescales

Timescales for supplying the requested services will depend on factors such as the barrister’s availability, the complexity of your case, the need for additional documents, whether there is any urgency and Court waiting times.

Fees

Our barristers may charge fixed fees, meaning a set amount of money for the written advice, or you may agree a fee based on an agreed hourly rate. If a barrister charges fixed fees, these will depend on your specific case and needs. For example, your fees may be towards the higher end of the range depending on the complexity of your case. The timescales that apply, and whether there is any urgency, as well as the availability and seniority of the barrister you request may also affect your quotation. It is not possible to state the precise fee for your needs here so please feel free to contact the Civil Clerking Team in order to receive a quotation (see contact details below). VAT is payable on all fees where applicable.

Our barristers sometimes charge an agreed hourly rate for advisory and drafting work. As is the case with fixed fees, a number of factors determine the hourly rate.
